

Sports Premium Spending - 2015/2016

The government are providing additional funding for the enhancement of P.E. teaching in primary schools; it is at the schools' discretion to choose how the money is spent within P.E. Hinchley Wood Primary School received £9,950 for the academic year of 2013/14 and £10,080 for the academic year 2014/15. The PE & Sport premium has been committed to schools until 2020, which is amazing news long term for the development of PE teaching practice in primary schools. For the academic year 2015/16 Hinchley Wood received £10,230.

Sports Premium funding is to provide opportunities for more children to participate and compete in more sports. This additional funding is an opportunity for us as a school to renew and adapt our PE to the new national curriculum and ensure that more children are given the opportunity to take part in a wider variety of sporting events.

The table below outlines how we have spent the Sports premium money so far. This will be reviewed and updated yearly. We evaluated the impact of our spending in 2015/16 to inform our expenditure for 2016/17.
