# KS2 SATs

- Date for your diaries! SATS will commence on the week beginning 13<sup>th</sup> May 2019.
- Practice papers and mock exams will begin in 2019.
- This is a big year for the children and we, as teachers, will strive to ensure they are as best prepared as possible.
- However, this will be done with a view to limiting the amount of pressure the children feel.
- We understand that some children do not enjoy the exam process and we will do as much as we can to limit the stress and anxiety associated with this period.

# Physical Education

PE (Funsports) is on a Friday.

The children will be learning about multi sports during this term.

Please ensure your child has a full PE kit in school.
